— I N T E R I O R S —

A modern, minimalist interior space featuring a dining area with a long wooden table and black metal chairs with cane backs. In the background, a kitchen area is visible with a white tiled wall, dark cabinetry, and a brass faucet. A large potted plant is on the left, and a window is in the background. The floor is made of light-colored wood planks. A large white sphere hangs from the ceiling, and a black track with spotlights is mounted above the kitchen area. Two small white spheres are mounted on the wall. A long wooden shelf holds two potted plants. The overall aesthetic is clean and contemporary.
